Ideal candidates will have a minimum of 2 years of environmental project experience, excellent references, and the demonstrated ability to perform the following:

### Essential Functions

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

1. Perform physical labor associated with cleanup activities, sample collection, waste removal and other remediation services
2. Follow applicable safety rules, regulations, guidelines, policies, and site-specific safety plans when performing cleanup activities and donning protective gear
3. Operate routinely used tools and equipment
4. Perform routine inspection and preventive maintenance on assigned equipment
5. Warehouse maintenance, stock supplies, building maintenance
6. Ability to think on their feet, quickly adapt to the tasks at hand and even predict the next action

### Competencies

1. Must be able to interpret and follow written and oral instructions and assignments
2. Must demonstrate general knowledge of operations and ability to safely operate assigned equipment

### Supervisory Responsibility

This position has no supervisory responsibilities.

### Work Environment

*While performing the duties of this job, the employee is frequently exposed to fumes or airborne particles, moving mechanical parts and vibration. Must be able to endure outdoor elements for most of the day every day.*

### Physical Demands

*The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job.*

*While performing the duties of this job, the employee is regularly required to talk and hear. This position is very active and requires standing, walking, bending, kneeling, stooping, crouching, crawling and climbing all day. The employee must frequently lift and move items over 50 pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception and ability to adjust focus.*

**Position Type and Expected Hours of Work**

Hourly, Non-exempt (hours depend on the project - must be able to work the hours required)

**Travel**

No travel is expected for this position.

**Required Education and Experience**

High school diploma or GED diploma.

**Other Duties**

Please note this job description is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities that are required of the employee for this job. Duties, responsibilities and activities may change at any time with or without notice.
